MEMORANDUM FOR: Deputy Director of Science and Technology 25X1A12A

SUBJECT: 25X1A2D2 Initiation of [REDACTED] Program with [REDACTED]
25X1A12A [REDACTED]

25X1A2D2

25X1A12A 1. Approval is recommended for the [REDACTED] Program, a
25X1A12A proposed joint CIA/[REDACTED] activity. Estimated
cost of the program for FY65 is [REDACTED]. The program should be
reviewed and budgeted on a fiscal year basis. 25X1A12A

2. The overall objective of the program is the collaboration
of the joint research and development resources whereby [REDACTED] will
contribute its diversity of scientific personnel and facilities and
ORD will assign the personnel and financing which ordinarily would 25X1A12A
go to an "in-house" or "captive" research facility. The projects
proposed are of the nature which are normally conducted by [REDACTED] and
support the basic mission of ORD as detailed in the attached [REDACTED]
Program outline. 25X1A2D2

25X1A12A 3. Overall coordination of the program will be handled
between the AAD/ORD and the Associate Director for Technical
Support, [REDACTED]. Official contacts from the respective offices will be
[REDACTED] ORD, and [REDACTED] 25X1A12A
